HOPE TO THE RESCUE

Chris Council/Aspen Daily News

The founders of Portraits of Hope, brothers Ed, left, and Bernie Massey stand in front of Ladder 71 on Tuesday afternoon at the North 40 Fire Station. The nonprofit is using the station as a staging ground for the installation of their latest art project, the first of its kind that involves decorating emergency response vehicles in the Aspen and Snowmass fire districts with large vinyl panels covered in bright flower designs. See story, page 3.
